MEMORANDUM FOR: Executive Officer, ODP
VIA: STATINTL [REDACTED]
Executive Officer, OL
FROM: STATINTL [REDACTED]
Chief, Systems Analysis Branch, EO/OL
SUBJECT: Request to Register the SECOND Computer
System as a Privacy Act File

25X1A 1. The Systems Analysis Branch is in the process of creating a database which tracks clearance records of industrial contractors. Access to the database is by name and Social Security number of the cleared contractor personnel and by contractor company name. There will be about [REDACTED] records in the database.

2. There is an existing manual file consisting of 3x5 security forms which is accessed both by individual and company name. The existing file is registered as CIA #20, Logistics Security Clearance Records. We feel that since a registered system exists, the only change we are making is one in status - manual to automated.

3. Could you take care of making this change, or let us know what we have to do to change it?
